Roukaya ★★★★★ 5/5 Star Rating

It was a great pleasure for all of us being there have a splendid time. Lunch and all activities was greatly organized. We have enjoyed lavishly with all the activities on board including the swimming pool

Karen ★★★★★ 4/5 Star Rating

All and all, we had a great day on Friday. Everyone really enjoyed themselves. We really appreciated the surprise cake at the end of the day. This was a very nice gesture and I am grateful for the effort.

Odysseo
Oceanarium - Mauritius

Team Building!

Team spirit is a must !

We will have 2 batches; 25 persons each.

The will be two main activities :

Marine Explorers & Aqua Quiz 1 hour each.

We will split every batch into teams of 5 persons.

Each team will have 1 smartphone with special app, there will be all task and interactions.

In this way, every team member will have at least 2 hours of activity.

The first batch will be in the Virtual Room while the other will be in different zone of the oceanarium.

[MQA Refundable Option available]

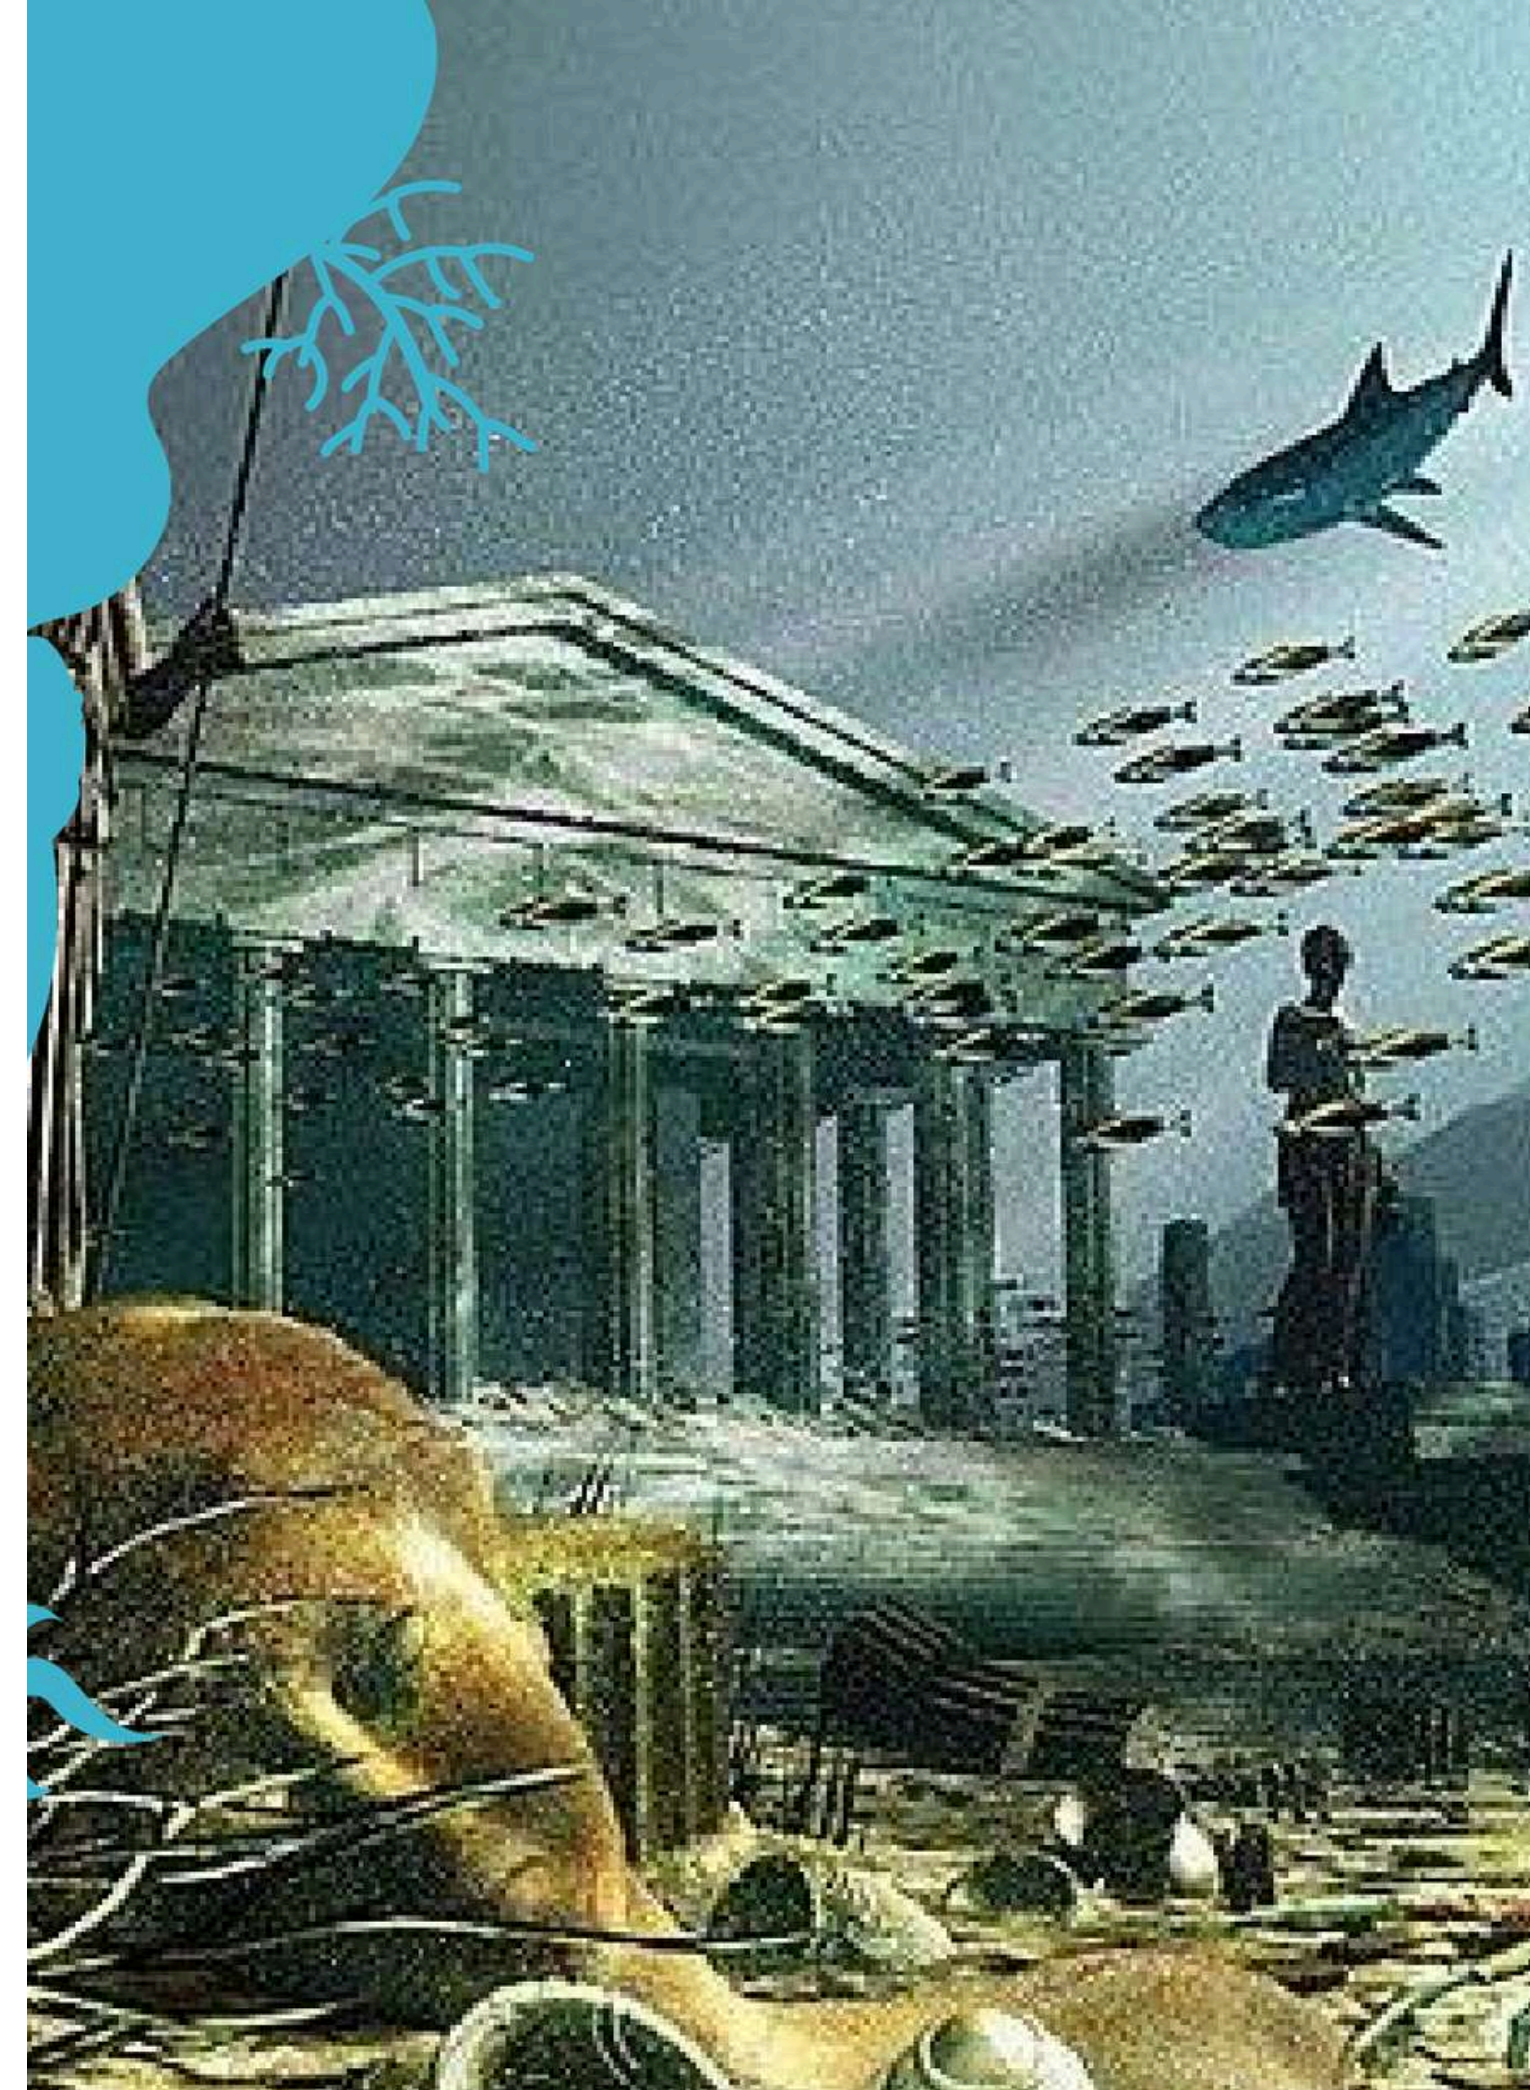

Marine explorer -Mystery of hidden Atlantis

On the game screen, the first batch will see a large picture such as a map of Atlantis, a big whale, or a big marine explorer's ship. Each part of the picture will contain several tasks.

Some tasks will require the player to stay within a designated "virtual zone," while others will require them to explore the entire space of Odysseo, scan QR-codes, or look inside aquariums.

The tasks will vary depending on the compartment or area of the game. For example, players may have to check the water cleanliness in one area, send a message from “a radio room” in another, or find a mysteriously missing octopus somewhere.

Certain tasks will require the player to take creative photos, conduct Google searches, use logic, find a very special object, or investigate something underwater.

Aqua quiz

At the same time, the second batch will be doing the second activity -Aqua Quiz will starts.

Teams will be in Pelagos and questions will be shown on the big screen (text, audio, video)

To answer they will use the same app on the allocated smartphones.

And the winner is..

The two batches will switch of activity after one hour.

All points from two activities will be up, and after that all teams meet in a common summed area to announce the winners.
